

How MiraBurst™ Products Work

Temporarily modify the perception of sour and acidic fruits, foods and drinks to sweet tasting*

Suggested Use: As a dietary supplement, let at least one tablet dissolve completely on your tongue before swallowing. Two tablets may be consumed if preferred. Enjoy your sour and acidic fruits, foods and drinks immediately and for up to 90 minutes after that.

If you are pregnant, nursing or taking medication, consult your healthcare professional before use. **Keep out of reach of children.**
