

How MiraBurst® Products Work

Temporarily modify the perception of sour and acidic foods and drinks to sweet tasting without any added sugar or sweetener.

Suggested Use: Let at least one tablet dissolve completely and coat your tongue before swallowing. Enjoy your sour or acidic foods and drinks immediately after and for up to 60 minutes after that.

WARNING: Choking hazard for children under 5 years of age. Adult supervision required. **Keep out of reach of children.**

What to Eat with **MiraBurst**

Taste the Sweet Sensation

Here are some suggestions for food and drinks to try with **MiraBurst**® products.

The best pairings are with sour and acidic foods and drinks.

For example, salad will not taste sweet unless it is combined with a vinegar or lemon based dressing.

FRUITS

- ▶ Citrus fruits such as Oranges, Clementines, Grapefruit, Limes and Lemons
- ▶ Berries such as Strawberries and Blueberries
- ▶ Apples
- ▶ Pineapples
- ▶ Kiwi
- ▶ Cherries

DRINKS

- ▶ Green Smoothies with Lemon
- ▶ Alcoholic Cocktails
- ▶ Lemon Water
- ▶ Wine
- ▶ Sugar free fruit juices
- ▶ Fruit Smoothies
- ▶ Apple Cider Vinegar with Lemon Water

OTHER FOODS

- ▶ Kefir
- ▶ Yogurt with fruits
- ▶ Salads with vinegar and lemon

It is not a sweetener, it is not a sugar substitute.

The MiraBurst miracle berry is a taste modifier/taste enhancing superfruit.

The taste enhancing property of the berry is lost when it is used as an additive or blended into the food. Therefore, to experience the taste enhancing property of the miracle berry, it must be consumed **BEFORE** you eat/drink your sour or acidic food or drink.
